(2) A Weight or a Measure of capacity, will be certified by the Inspector of Weights and Measures, only when it has been manufactured by Government or by a manufacturer duly licensed under this Act.

(3) Any Weight or Measure of capacity, which is not manufactured as above will be deemed to be a false Weight or Measure of capacity.

(4) As per Section 5 of the Act whoever manufactures or uses any Weight or Measure of capacity which is not manufactured as above shall, on conviction by a Magistrate, be punishable with fine which may extend to Rs. 50 and for every such subsequent manufacture or use, with fine which may extend to Rs. 100.

(5) The use of Measures of capacity, manufactured by private firms and not certified by the Inspectors of Weights and Measures and also the use of crude stones and weights manufactured at Virudhnagar, Agra and other places outside the State for purpose of measuring and weighing respectively is contrary to the provisions of the Mysore Weights and Measures Act, 1902 and the Rules thereunder and these Weights and Measures are deemed "False" under Section 4 of the said Act read with Section 267 of the Indian Penal Code.

(6) Re-testing and re-stamping of any Weight or Measure of capacity in use should be done once in every year and the use of any Weight or Measure of capacity not re-tested or re-stamped once in every year shall be liable for a penalty prescribed in Section 5 of the Act referred to above.

K. R. MARUDEVA GOWDA,
4500 *Chief Marketing Officer.*
